

Health Agents for America

Application for Membership

Health Agents for America, Inc. is currently looking for Agents who plan to be in business and want to survive the Patient Protection and Affordable Care Act. In order to be considered as a HAFA member, you must be an "independent", "non-captive" agent, with at least two (2) insurance contracts.

Now is the time that Agents need strong representation at your State and the Nation's Capitol as Congress and State Legislatures are considering bills that could change or eliminate the Agent Community. HAFA is small enough to offer personal service and powerful enough to lead successful campaigns!

Print your Full Name and designations
