

Why HAFA?

You are invited to join Health Agents for America, Inc, "HAFA", an elite association dedicated exclusively for independent health agents, brokers and the clients they represent. For the past eight years, independent agents have been excluded, replaced and uncompensated. This is the year we take our industry back!

An association like no other; no chapters, no requirement to serve. Your time is valuable and we believe we have another way. All meetings are held via the web, except our Agent Summit held annually.

HAFA's Mission

To provide continuing education, training, information from State and Federal Government (in real-time), ongoing support, a VOICE and a place at the table for Independent Health Agents across America.

Health Agents for America, Inc. "HAFA", is a 501©6, bi-partisan exclusive association for Independent, Non-Captive Health Insurance Agents.

HAFA was formed in November 2012 to answer a need for Independent Health Agents to provide exclusive representation.

Member Testimonials

HAF A is 100% focused on sharing and representing the indispensable value of the health insurance agent in healthcare reform. Other associations have gotten diluted, by trying to be all things to all people. Not at HAF A! I encourage all health insurance agents to become a member of HAF A!
Johnny Dawkins, Fayetteville, NC.

In my 26 years in the industry, I have never once been so excited about being a part of a Professional Organization.

Don Massad, Baton Rouge, LA

I was skeptical at first how someone in Louisiana could help their small town, Pennsylvania agency, but now has no doubt that HAF A can work for other states through its grassroots model of mobilizing agents call to legislators, deliver opinion letters and talk with key legislators in important committees to get bills passed. **Angie Surra, St. Marys, PA**
